**Just a quick recap of all the items and due dates you will be responsible for:**

- **FRI. Mar 26, 2021**– Letter of interest and the letter to parent/guardian with necessary signatures due in Google Classroom (Code: oh7xza4)
- **Mon. June 7, 2021**— ***Strongly Recommended*** parent/student meeting in Zoom. This is NOT required, but it is a chance for students and their parents to come and meet Mrs. Whitford and ask any questions about the class or the summer project. **I will put a link in Google Classroom as we get closer to the date. Students new to the district, email me in early June and I will send you the link.**
- **Tues. August 17**– Journal and two book personal reactions – You can turn these in at school (tell them to leave them in my box) Check the school website to confirm they are open the day you want to come in. they are always closed from 12-1 for lunch. You can also turn your assignment into Google Classroom.
- **Mon. Sept. 13** - Summer project visual and prepared presentation due in class that day. Don't worry about this over the summer. I will talk about this in more detail in the first week of school. Take some pictures so that you can include them in your visual.

**I have an Honors English 9 webpage with all info and papers. It will be linked on the Mead High School website. I will also have everything in the Google Classroom. These are great resources.**

**Both these spots also have summer project ideas as well as a sample journal that might help you.**
